Telephone (Mobile):	
Telephone (Work):	
Email Address:	
Date of Birth:	
NHS Number:	Occupation:

First Language: _____

If English is not your first language, will you require an interpreter for appointments? YES NO

Are you happy to receive text reminders from the practice? YES NO

Are you happy to receive information by email from the practice? YES NO

Next of Kin: Name: _____ Telephone: _____

Relationship: _____

Do you care for a relative, friend or neighbour? If so, whom: _____

Your Health:

Height: _____ Weight: _____

Do you smoke: YES NO NEVER

If you currently smoke, how many do you smoke per day? _____

If you are an ex-smoker, how many did you smoke per day? _____

Do you drink alcohol? YES NO

If yes, how many units on average per week do you drink? _____

(You should not regularly drink more than 14 units per week for both male and female. One unit = one pint (250ml) beer or one standard glass (76 ml) red or white wine.)

Medication:

Do you take any regular medication? YES NO

If yes, please provide us with your repeat prescription slip. You may be asked to arrange to see a GP to discuss your medication.

We would encourage you to register for online prescription services by completing the form on the next page. This is the most efficient way for you to order your medication.

Redlands Primary Care are committed to reducing this waste and improving patient safety. Hence from the 1st April 2021 we will be changing our prescribing intervals to 28 days. This will reduce wastage when a medicine is stopped or changed and will reduce the risk of errors when medication is changed in the middle of a supply.

Prepayment certificates can help with medicines costs (<https://www.gov.uk/get-a-ppc>) and electronic Repeat Dispensing (<https://www.nhs.uk/pharmacies-gp-practices-and-appliance-contractors/prescribing-and-dispensing/electronic-repeat-dispensing-erd/erd-information-patients>) can help with the convenience of obtaining your prescriptions. The community pharmacists and practice clinical pharmacists can help with these.

Surgery News

We'd like to keep you informed with what's new at the practice by sending you the occasional email. Please use the QR code below to subscribe. You can unsubscribe at any time.

NHS App

Owned and run by the NHS, the NHS App is a simple and secure way to access a range of NHS services on your smartphone or tablet — including prescriptions and appointments.

Scan the QR code below to download the app.

Username and Password for Online Services

The username and password will give you access to order a repeat prescription as well as a history of medication that you have been prescribed. **Please note that it can take up to 48 hours for your prescription to arrive at the pharmacy of your choice.** It will also enable you to book appointments, view your medical records, test results and change your personal details.

It is therefore important that you treat these details the same way you would a PIN code from your bank account. Giving it to someone else will allow them to access your confidential medical information.

IT IS ESSENTIAL THAT YOU CHANGE YOUR PASSWORD AFTER YOUR INITIAL REGISTRATION.

By completing the form below, you are confirming that you have read and understood the above information and that you wish to access this information online.
